The Fire Alarm System.

For the information of the public in general and firemen in particular, I submit to you the following, giving the necessary information for the proper use of the fire alarm system. How to send in an alarm, the number and location of each box etc.

In case of fire the citizen in sending in an alarm should obtain a key to the box nearest to the fire, the location of the key will be in plain letters on sign directly under the fire alarm system. All the person has to do is to simply unlock the door of box and pull down once and let go, the alarm is then struck on the big bell, and at the same time ringed on the small bell or horn. Do not attempt to release key from lock as it is locked in and cannot be released by anyone but those who may have release keys. There are at present 17 boxes in the system.

No. 25 Park & Monroe Pl. 1st Ward.
No. 27 Franklin & Berkeley
No. 45 Broad & Warren 2nd Ward
No. 47 Broad & Canal
No. 49 Belleville & Williams
No. 65 Washington & Hillside 3rd Ward
No. 67 Glenwood & Linden
No. 69 Orange St. & D.L.A. W.R.R.
No. 35 Bloomfield & Ridgewood Avenue
No. 37 Race & Bloomfield Ave.
No. 39 Bloomfield Ave. & School House.
Located as follows:—The first number of the box in each ward is twice the number of the ward thus, box 25 1st Ward, 45 2nd ward, 65 3rd ward. There are four boxes in almost a direct line on Bloomfield Avenue which commenced with three, thus, boxes 35, 36, 37, 39, designating them from the boxes in the different wards. The most northerly box is the smallest number and most southerly the largest in each ward. The person after sending in an alarm would help the fire department by remaining at the box until the firemen arrive. The system will be in operation on and after Monday November 17th.

T. HOWELL JOHNSON,
Chief Engineer,
Fire Department.

The Pulpit and the stage.

Charles, New York, says: "I feel it my duty to tell what wonders Dr. King's New Discovery has done for me. My lungs were badly diseased, and my physicians thought I could live only a few weeks. I took five bottles of Dr. King's New Discovery and am sound and well, gaining 25 lbs. in weight."
Arthur Love, Manager Love's Funny Folks Combination, writes: "After a thorough trial and convincing evidence, I am convinced Dr. King's New Discovery for Consumption, Coughs, Croup, Whooping Cough, Sore Throat, and all other lung troubles, is the greatest medicine I ever saw. I have many friends to urge them to try it. Free trial bottles at Geo. W. Wood's Drug Store. Regular size 50c. and \$1.00."

The State Officers.

The Democratic leaders are preparing for a reconstruction of the State so as to perpetuate their power. The project of 1892, to create Hamilton county out of the northern part of Hudson, will be revived. Essex county would also be divided were not the townships so strongly Republican in ordinary elections. The probable addition of one Congressman to the State under the 1897 census appointment will lead to a reconstruction of the districts, and one proposed plan is as follows:

First district, as at present, Camden, Cape May, Salem, Cumberland and Gloucester.
Second district, Atlantic, Burlington, Ocean Monmouth.
Third district, Middlesex, Somerset, Hunterdon.
Fourth district, Union and Essex townships.

Fifth district, Passaic, Sussex and Warren.
Sixth district, Newark and East Newark.
Seventh district, Hudson county.
Eight district, Hamilton county.
This arrangement would make six of the districts ordinarily Democratic, one the first would be Republican, and the one with the Essex township would be doubtful. The latter may be divided and placed in two districts.

In the Assembly re-apportionment it is probable that one new member each will be given to Hudson, Camden and Essex to be taken respectively from Morris, Burlington and Middlesex.
Among suggested new officials are John T. VanCleave, Clerk of the State Board of Assessors, for Comptroller, and ex-Assemblyman John F. Kelley of Hudson, and a former Deputy United States Collector, for State Prison Keeper. The name of Thomas Smith of Essex is mentioned for Speaker.

Decisive action by the Township Committee in any particular line, is sure to meet with the disapproval of a certain class. The disgruntled ones take every opportunity to vent their discontent. This was particularly the case when the Licensed Vender's Ordinance was introduced. Since the adoption of this law in Bloomfield, East Orange and Menlo Park have both followed suit and it appears as if Belleville was about to take the same step. The following is from the Belleville Press account of the proceedings of the Improvement Association:

The Association then directed the secretary to spread in the minutes and have published in two papers the recommendation that the people of the town deal with local tradesmen rather than make their purchases in Newark and New York; thereby encouraging business in the place and inducing storekeepers to keep larger and better stocks on hand.

The county board of canvassers met at the courthouse and canvassed the returns of the late election. They found that 46,498 votes had been cast. The other totals were as follows: For senator—M. T. Barrett, 23,341; James E. Howell, 21,360. For sheriff—Jacob Hausling, 23,536; Henry M. Doremus, 21,126. For congress—Thomas Dunn English, 23,373; Elias M. Condit, 21,628. Well received the largest prohibition vote, 988.
